

10th November 2025

Outstanding Pearson Learner Award 2025

Dear Abhinav,

Every year the examination board, Pearson, recognises and celebrates those Pearson (Edexcel) learners around the world who have demonstrated academic excellence at the very highest levels in their examination performance. Outstanding Pearson Learner Awards (OPLAs) are presented to those students in each exam series who have achieved the highest subject mark in their country, in the region, and around the world.

We are pleased to confirm that you are a recipient this year for **GCSE Chemistry, Highest Mark in the World**.

Once the certificates have arrived in school, we aim to present you and the other award winners with your certificates in person by inviting you to a 'Cake Break' on **Tuesday 6th January 2026**. This informal reception will take place in The Quad area of the Jafar Centre from 1:00pm and may continue into period 6.

If you are a year 14 student or have left Dubai College, please sign in at reception on arrival and make your way to the Jafar Centre. Unfortunately, we cannot send on certificates but you are welcome to nominate a family member to collect them from reception any time on your behalf, but we would need confirmation via email that you have consented to this. Uncollected certificates are returned to Pearson by end of term 2.

Please let us extend our heartfelt congratulations to you. We sincerely hope you will take this resounding endorsement of your academic abilities to propel you to even higher heights.

Yours sincerely,

Tomas Duckling

Headmaster

Gill Hodder

Educational Systems Director
